OpenLimit Holding AG: Prof. Radu Popescu-Zeletin joins Board of Directors of OpenLimit Holding AG

(Baar, 18. November 2011) - Univ. Prof. Dr.-Ing. Dr. h.c. Radu Popescu-Zeletin joins the Board of Directors of OpenLimit Holding AG. His election by the Board of Directors is subject to approval at the next General Assembly of the Company. Professor Popescu-Zeletin is a highly respected expert in information and communication technologies. He is Professor at the technical university of Berlin and director of the renowned Fraunhofer FOKUS institute for open communication systems in Berlin. As an internationally accredited expert, Prof. Popescu-Zeletin advises many companies in the high tech sector as well as national and international committees and is founder of several companies in the telecommunications industry. He will support OpenLimit in terms of developing existing business areas and identifying new opportunities via his vast network of contacts and business relationships all over the world.

"We are much honored to introduce Mr. Popescu-Zeletin as our new member of the Board. The decision clearly demonstrates that we are on the right track with OpenLimit technologies", states René C. Jäggi, delegate of the Board of OpenLimit.

And a delighted Prof. Popescu-Zeletin adds: „I am looking forward to a new challenge and a constructive and close collaboration“.
